

(From Original Box #29)

Folders:

- Drillholes piercing 90 MMT Pit -- Total Inventory. 1990
- PCF -- 1990-4 Expansion
- Drill hole listings 1990 - 1991
- Base stats and symbol plots from 90-4J Model Area Reinterpreted for 91A
- Various data printouts from the Medsystem Proprietary Software from Mintec Inc. Reports dated 1990. Relates to expansion project.

/New Box #27**(From Original Box #30)**

Folders:

- BES-11 (1996), BES-11 (1989), BES-11 (1989-90), BES-11 (1992), BES-11 (1993), BES-11 (1994), BES-11 (1995). Re: Mid Continent Laboratory, Travis Laboratories, or Twin City Testing analysis results and sample forms
- BES-14 (1989), BES-14 (1992), BES-14 (1991), BES-14 (1993), BES-14 (1994), BES-14 (1995), BES-14 (1996). Re: Mid Continent Laboratory, Travis Laboratories, or Twin City Testing analysis results and sample forms
- BES-8 (1988-1998). Re: Mid Continent Laboratory and Travis Laboratories analysis results and sample forms
- BES-10 and BES-1 (1989-1993). Re: Mid Continent Laboratory and Travis Laboratories analysis results and sample forms
- BES-2 (1993). Re: Mid Continent Laboratory analysis results and sample forms
- BES-4 (1989-1998). Re: Mid Continent Laboratory and Travis Laboratories analysis results and sample forms
- Laboratory analysis results and sample forms for GW-1 through GW-13, GW-AH, GW-BH, GW-GH, and GW-FH. 1985 - 1990.
- Laboratory analysis results and sample forms for SW-1 through SW-13. 1985 - 1990.
- Bureau of Mines - A91 Annual Report from Brohm to Bureau of Mines
- Annual Report 1988 - Notice of Intent to Continue Mining from Brohm to DWNR. 1988.
- Vested Drainage right form. Completed for 1991. From Brohm to State/County.
- F.S. Operating Plan - Leach Pad - from Brohm to USFS 1987 and complete USFS form.
- 1988 Permitting Information from the BLM and Army Corp of Engineers
- Dec 17 DWNR Conditions
- Lys Imeter sample readings and data 1990

New Box #28**(From Original Box #11)**

- binder - Plan of Operations - Gilt Edge Expansion Project - Volume 1- prepared by Brohm in 1989
- Folders:
 - o Stibnite Mine EIS Correspondence - b/w Stibnite Mine Inc, Dakota Mining, and U.S.F.S. Dated 1996.

- SMI EIS General – correspondence b/w Stibnite Mine Inc. and U.S.F.S. regarding aquatic habitat survey. Dated 1994.
- SMI Diesel / Nitrate C.O. – DEQ Additional Info Request
- SMI NMFS B.O. Federal Columbia River Power System
- SMI “Salmon” News Articles
- SMI U.S.F.W.S. Trace Element Algae and Sediment. Letter from USFWS. Dated. 1993.
- SMI EIS Comments – letters from U.S. EPA, Idaho DEQ, and USFWS. Dated 1994.
- 1993 and 1994 SMI Reclamation Costs
- SMI IDSL Reclamation Plan Update 1993
- Report from U.S. Department of Commerce NOAA – Biological Opinion on 1993 Operation of the Federal Columbia River Power System. Dated May 26, 1993.
- SMI Geochem Data/info
- SMI AST-MW Well logs
- SMI Pond/Pad Leak Detection
- SMI Well Logs 1993 – letter from Geochem/TerraVac to IDWR
- SMI Claw Info – correspondence b/w Marvin Truhe (lawyer), Stibnite Mine Inc, and US EPA. Re: citizen suit against Stibnite Mine
- SMI Voluntary Consent Order - State Deferral
- SMI Administrative Order on Consent by US EPA, 1995.
- Stibnite Mine CERCLA Correspondence – Helca Mining Company to SMI dated 1994
- CN Permit Corrs – CN permit correspondence in 1994 b/w SMI, IDEQ, Dakota Mining, and TerraGraphics.
- Air Quality Consultants – Air Sciences, Inc. and McVehil-Monnett Associates, Inc.
- Water supply and Archeological – G.E.E.P. 1988-1989. re: drill test well and convert to water supply
- Arch RFP – faxes from Brohm and MinProc regarding Gilt Edge Sulfide Project – Cultural Resources. Dated 1988.
- Archaeological Contractors and Records. Correspondence b/w Brohm and Dakota Research Services regarding the Cultural Resources study. Dated 1988.
- Water Quality Budget. Brohm sampling conducted by Enecotech. Parameters required for analysis. Letter from DWNr to EnecoTech re: surface water sampling/Brohm’s sulfide project. 1988.
- Radioactive wells – data from Accu Labs Research and Western Atlas International. 1988.
- Preliminary Assessment/Site Investigation for Stibnite Mining Areas CERLIS ID No. ID 9122307607. December 1993. Submitted to USFS
- Draft Environmental Impact Statement – Stibnite Mine Expansion Project by the USFS. Dated December 1994
- Report on Wetland Delineation – Stibnite Mining Site. April 1996. prepared for SMI by The S.M. Stoller Corp.

- Stibnite Mine Meadow Creek Water Treatment System Work Plan. September 1996. Prepared for SMI by Environmental Design Engineering
- Draft Watershed Analysis of the Upper East Fork South Fork Salmon River. Prepared by KK Consulting and submitted to the USFS
- Stibnite Mine Inc., Permit Application for Ore Processing by Cyanidation at the Stibnite Mine Volume 1 – Report. April 1994. Prepared by Montgomery Watson for Stibnite Mine Inc and submitted to the IDEQ.

New Box #29

(From Original Box #68)

- Letters regarding NPDES permit from Brohm, Dakota Mining Corp, and Marvin D. Truhe (lawyer) to either Brohm or U.S. EPA. Dated 1993.
- VWRbrand Products (manuals) – catalog for 1996-1997, VWR's Complete Guide to Safety, Chemical Testing Solutions
- Letter and flyers to Brohm from Advanced Aquatic Technology Associates Inc. Re: NPDES permit
- 1999 Issues of the "Environmental Protection" journal
- URS notes titled Risk and Beyond, June 1999
- ENSR "Insight" pamphlet – volume 4, 1998.
- Folder with information on Process Technologies, Inc.
- Folder with information on Envista Technologies.
- Octolig Metal Removal Plant brochure
- Photographs – Brohm employees in 1996, stream, culvert, graded land, leach pad (installation, movement, and expansion), installation of membranes, drilling
- Business cards from vendors
- Pocket road atlas
- File folder labels
- Badger meter (in small box)
- Disk – Cannon Rescue Disk
- Notebooks with handwritten notes regarding site activities/sampling
- A float charger
- Empty folders
- Air Science SOQ – list of employees and resumes
- Folder-
 - o Permit Renewal SWDP #SD-0026891- correspondence b/w Brohm and DENR in 1998
 - o Air Quality BDS – labels
 - o Whole Effluent Toxic – correspondence from DENR to Brohm regarding the whole effluent toxicity testing as part of the Surface Water Discharge Permit (SWDP) and NPDES
 - o Chain of Custody – regarding samples sent to Mid Continent Labs
 - o QA Study 18 1998 – quality assurance for unacceptable lab results
 - o Brohm Discharge Monitoring Reports (DMR) submitted to DENR for 1999, 1997, 1996, 1995 (Listed as Brohm-Minven Gold Corp on top of NPDES form)
